

AMERICAN SPORTS BUILDERS ASSOCIATION

2017 OUTSTANDING FACILITIES OF THE YEAR

COURTS & RECREATION

ACTION DIVISION

OUTSTANDING COURTS & REC MULTI-PURPOSE FIELD HOUSE OF THE YEAR

Cape Girardeau Sportsplex

CAPE GIRARDEAU, MO.

The new Sportsplex has 57,600 square feet of wood flooring, which can accommodate six basketball courts (with retractable ceiling basketball goals) or 12 volleyball courts (with retractable ceiling volleyball systems). The building also has divider curtains and perimeter netting for wall protection, in addition to scoreboards, shot clocks and spectator seating. Also, the nearly 32,000 square feet of artificial turf accommodates two competition indoor soccer fields and four retractable batting cages. The facility also has a community activities center, meeting rooms, offices, child care area and concessions.

COMPLETED: **April 2017**

SILVER AWARD

Kingswood Oxford School
West Hartford, Conn.
Hinding Tennis Courts

FROM THE ASBA CHAIRMAN

Our Winners 'Build It Right'

On behalf of the American Sports Builders Association, I would like to congratulate the 2017 Outstanding Facilities of the Year Award winners and the team effort that these projects represent. The ASBA Awards Program has the goal of promoting the highest standards of construction excellence.

Since 1996, ASBA has been honoring the award winners and recognizing their outstanding construction projects at the December Technical Meeting, our annual gathering. A complete listing of this year's winners of awards, along with the winners from the past three years, can be found on ASBA's website at www.sportsbuilders.org.

ASBA's theme—"Build it Right"—is exemplified by the ASBA Awards Program. Each project represents a team effort among designers, builders and suppliers who have collaborated to produce the highest quality in sports construction. ASBA's programs are built around educating the professionals in our industry, and providing networking and collaboration opportunities for our members. The strong partnerships that exist within ASBA among its builders, designers and suppliers are at the heart of this success.

Any ASBA members contributing to the design and/or construction of an outstanding project or facility are encouraged to submit an application for one of several industry awards.

Congratulations to this year's award winners and thank you for continuing to set examples for others to follow.

PETE SMITH, CTCB
Chairman
American Sports Builders Association

ABOUT THE ASBA

The nonprofit American Sports Builders Association (ASBA) is a national organization for builders, designers and suppliers of materials for tennis courts, running tracks, synthetic turf fields, and indoor and outdoor synthetic sports surfaces.

The ASBA works to raise professional standards and ensure that consumers receive services of the highest quality. As part of its work to achieve this goal, the Association sponsors a certification program that permits experienced tennis court, running track and sports field builders to demonstrate their competency by completing an examination on all areas of construction.

LOOKING FOR A DESIGN OR CONSTRUCTION PROFESSIONAL?

With just a quick click, you can find exactly what you're looking for at the American Sports Builders Association website, www.sportsbuilders.org. Use our online directory to find a business in your area with the skills or supplies you need.

On the left side of the homepage, select "Find a Builder/Designer/Supplier." That link will allow you to sort by company name, state, product name and more. You'll find full contact information, including address, phone and fax numbers, e-mail, web addresses and company personnel.
